

QUICK SET SADDLE MACHINES

Safe, Light and Simple

- Lightest beveling machine in the industry made of cast aluminum for lightweight durability
- Adjustable arms fit 4 different size ranges: 1.5" – 20"
- No spacers, legs, or dogs needed (which are easily lost and time consuming to change)
- Adjustment arms provide simple and fast set up without spacers
- Gear box is fully enclosed, safeguarding from damage to exposed gears
- 1 year warranty

Lightest in the industry

No Dogs or Spacers
