ABOUT US

Alliance Group Associates are led by industry specialists in new and remanufactured electrical/electronic parts for all major OEM products, transport technology, supply chain and specialist aftersales support.

An uncompromising approach to quality and ongoing investment in people allows AGA the ability to offer the operators and OEM a level of service aligned with today's technological needs.

- New and remanufactured electrical/electronic parts for all major OEM products
- Bus, Coach & Truck Coach specialist Nationwide support network
- All makes parts supply
- Emissions control specialists
- Specialists in hybrid system refurbishment, repair, maintenance and retro-fit
- Bespoke repair and maintenance contracts for conventional and hybrid power
- Investing in expertise to support the future E Mobility market
- OEM- Full campaign/recall management service

Service

We Remanufacture just about any electrical or electronic part on a Commercial Vehicle. We will also collect any of your own parts free of charge (mainland UK only) and aim to turn them around remanufactured the following day.

Peace of mind

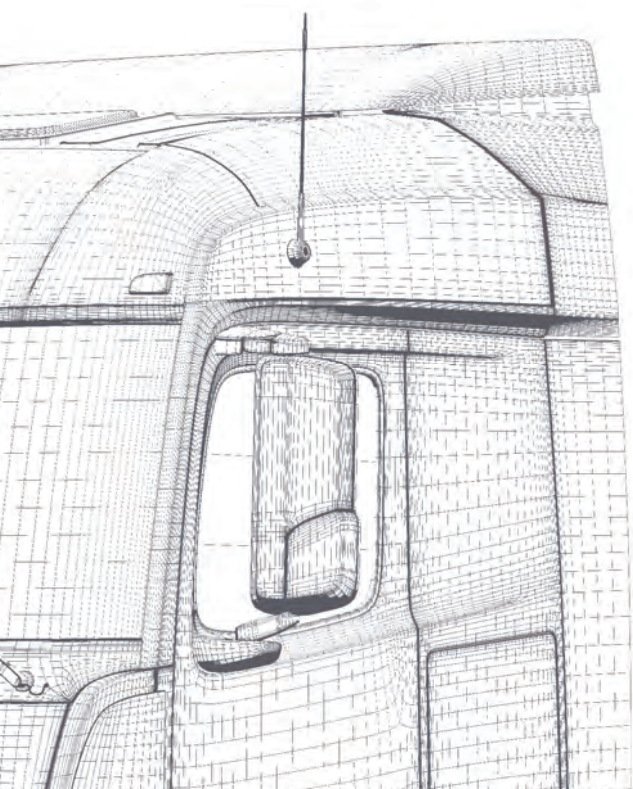

Alliance Electronics parts will give you peace of mind that you have a quality remanufactured part supplied with a 12 month warranty and have minimised downtime and maximised cost savings.

Get the app!

Download the Alliance Electronics app today and start using it to easily arrange a collection of your parts for repair, and to message, find or phone us.

GETTING YOUR VEHICLE BACK ON THE ROAD CAN BE AS EASY AS **1 2 3**

1

You can phone, email, use our app or create a collection via our website. Free collection from anywhere in the mainland UK.

2

Your parts will be Remanufactured, tested and quality checked before being dispatched back to you on a next working day delivery. All remanufactured parts come with a full 12 month warranty.

3

You receive your part to be refitted with peace of mind that you have a quality remanufactured part supplied with a 12 month warranty and have minimised downtime and maximised cost savings.

Field Service Support

Our regional field service managers and their teams are the hub around which our technical strategy exists.

The ATT approach is the selection and ongoing development of a team of specialists. Our regional teams will react to changing customer needs that are ultimately driven by advancements in transport technology. Universal competence means we can provide superior customer service across all areas of the transport industry.

Alliance Support provide its customers with the very best support, understanding the customers' requirements is paramount in providing the service expected.

ATT Support offer a range of support to all its customers:

- Nationwide diagnostic technicians led by Regional Field Service Managers
- Contract maintenance and account management
- Dealer and distributor support
- Leading nationwide aftermarket support for the bus and coach market
- Strategic partnerships with leading manufacturers
- OEM Support - Full campaign/recall management service

- SAME DAY FREE COLLECTION
- NEXT DAY DELIVERY
- 12 MONTH WARRANTY
- NATIONWIDE SERVICE

At Alliance Parts we have industry leading expertise ready to provide you with the very best parts support for your products. With the ability to stock a full range of leading manufactured products, we are confident we will meet all your parts requirements with OE quality. We have the supply chain agreements in place to provide you with specialist support at competitive prices with guaranteed nationwide next day distribution on stocked items. Specialising in DAF, Cummins, Volvo, Scania and Mercedes products.

Alliance Engineering Recruitment

In addition to our current portfolio of products we now have a specialist resourcing capability that allows us to be able to provide support to customers across the UK.

We supply short, long-term and permanent labour support to Operators, Main Dealers and Fleet Rental Companies across the UK. So, if you require a skilled engineer to assist with mechanical, body or electrical issues, fill in for holiday, sickness cover or even just to up skill your team and expand capacity, Alliance can support all your needs. We offer a reliable product to all customers and one that they can call upon 24/7. Our dedicated team will provide the best support at any time.
