The event takes place between the 10th and 12th April 2018 at the NEC, Birmingham, coinciding with MACH 2018.

We are the Official UK agent and distributor for [Repar2 guarding](#) and we are delighted to announce that Marco Carnovali (Managing Director) and Silvana Castelluccio (Sales and Export Manager) will be joining us on our stand in Hall 11.

Join the thousands of safety practitioners who have already confirmed their attendance and visit over 200 leading manufacturers and suppliers, experience 60 hours of CPD-accredited professional content and hear from 130 expert speakers – all for free!

We highly recommend registering ahead of the show's opening day to receive your fast-track entry admission voucher in advance via email.
