

KFL Range 3 Enclosures & Product Accessories

A range of 4 colour anodised extruded aluminium profiles available in variable widths, lengths and colour options. They are supplied as kits comprising the extrusion, aluminium end plates and assembly screws. Cases and end plates can be customised with holes slots, text and graphics with a low MOQ. Standard colour are Silver, Black Blue and Red, but custom colour options are available. All cases can be fitted with Acrylic end plates for RF or Wireless applications.
