N E Fasteners Ltd 1985-2020

Our History so far!

Over 35 years ago my Dad, Nigel Elliott, set up and registered N E Fasteners Ltd (Aug 1985). He's still very much involved today, as are wives & grandkids!

Since then we've grown steadily, offering continued loyalty & support to customers, suppliers and staff alike. About six years ago our online trading company Screwshop was born, and we've slowly adapted and increased our product range & fantastic customer base.

We're a great team and very proud of what we achieve everyday!

Thank you for your ongoing support. Matt Elliott, *Managing Director*
