1200mm footprint: 1217 [w] x 165 [d]mm
1500mm footprint: 1517 [w] x 165 [d]mm

features and benefits

- Never lose your pole set again with Sidewinder's integral pole design
- A size option to suit any location. A truly versatile range of 5 widths – 600mm, 800mm, 1000mm, 1200mm and 1500mm wide. All sizes available as either single or double-sided
- Unique full graphic appearance - your message is the only thing you see when the system is assembled
- A deluxe carry bag with 30mm thick padded ends means the Sidewinder can be transported regularly without any worry of damage
- Self-adhesive top hanger
- The graphic can be changed quickly and easily due to the hook and loop fastener fixing method
- Fixed height poles allow the graphic to be rapidly set-up to the correct height every time
- The patented adjustable ratchet mechanism enables the graphic tension to be adjusted to suit each graphic substrate (if required)
- Anti-slip base
- Individually boxed

Graphics suitable for outdoor use are recommended.

NOTE: *Hardware only no graphics included.*

CODE	DESCRIPTION
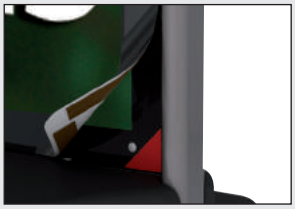
30333	Icon A1 sign
92050	Icon plus A0 sign
91930	Icon max "60 x 40" sign
91931	Wheeled trolley for Icon max and Icon plus

ten good reasons to choose an icon

1. Robust, high specification design for many years of trouble free advertising.
2. Simple for staff to strategically position promotions in high traffic areas.
3. Quick and easy to change posters - a one person job.
4. Modern; engaging; attention grabbing looks for maximum impact.
5. Excellent value for money and outstanding return on investment when compared to other more traditional signs.
6. Can also be used in-store to emphasis additional services.
7. Expose more customers to YOUR sales promotions.
8. Fits in with your environmental credentials - all parts are fully recyclable.
9. Extremely stable, even in severe weather conditions.
10. No loose parts that can get lost or broken.

NOTE: *Hardware only no graphics included.*



Hinged magnetic poster pocket enables graphics to be changed easily without the need for tools.

Wheeled base can be filled with sand or water for extra stability.

Recessed header for individual or corporate branding.

Poster hanging clips, holds poster in correct position.

Screw in water filler cap.

Optional trolley for Icon max and Icon plus sizes.

tansley elite market stall

Zinc Plated Steel Frame
Heavy duty 1 inch x 1 inch (25mm x 25mm) steel box section tube with a 2mm wall thickness and is supplied with a high quality Zinc Plated rust resistant finish to ensure it continues to look great even after extensive use.

Fitted PVC Tarpaulins
The Tansley Elite is supplied with premium grade 550gsm PVC roof canopy, available in Red, Green, Yellow, White, Blue and Black or striped.

Counter Boards
The counter boards supplied with this Market Stall are manufactured from a 9mm exterior grade plywood. They are split into three 3ft x 2ft sections which lay flat ontop of the market stall framework to form an overall 6ft x 3ft (1.8m x 0.9m) front counter space.

Clear Upper Sidewalls
Optional extra - clear upper sidewalls can also be purchased as part of the kit or separately. Side walls are manufactured from a heavy duty 350gsm glass clear PVC material to enable maximum light penetration whilst offering full protection from the elements.

Carry Bag
Optional extra - robust wheeled carry bags have been developed here in the UK specifically for carrying our market stall frames. They are manufactured from a 550gsm heavy duty PVC material with re-enforced ends and are supplied with heavy duty zips and rubberised handles at each end to reduce abrasion on your hands during transportation.

Bespoke Canopy Printing and Branding Service
Whether is a simple text print or a full colour digital print we have solutions to suit all budgets
