

Drayton Bench 1800mm

Galvanised, Galvanised & Colour or Stainless

Robust and aesthetically striking, the Drayton Bench is designed for use in high traffic areas such as schools, parks and town centres. The simple design will complement all architectural styles and will continue to look good for many years with only minimal maintenance.

Manufactured in the UK, the Drayton Bench is available in both galvanised mild steel and grade 304 stainless steel. All galvanised products can be coated in any BS or RAL colour (codes must be specified at time of order).

Available concrete in and bolt down.
