Industrial Communication Products Ltd.

UK's No.1
Leading Specialist
Distributor for
Hirschmann
Industrial
Networking
Products

PSP Hirschmann™
Gold Preferred Solutions Partner

UK's Master
Distributor for
GarrettCom
Products

PDP GarrettCom®
Preferred Distribution Partner

Our Product Range

Industrial Ethernet Products

- Fiber Media Convertors
- Unmanaged and Managed L2/L3 Switches, PoE Switches
- Routers/Firewalls
- WLAN - Outdoor and Indoor
- Ethernet Extenders over Copper and Coax
- Outdoor PoE Extenders and Injectors PoE
- PoE Injectors, Splitters and Extenders
- ADSL routers (DIN-Rail)
- Cyber Security Appliances and Software
- Network Management software (SNMP)

Serial-Fieldbus Products

- Fieldbus-Ethernet Gateways (Profibus, CANbus)
- Protocol Convertors IEC61850, IEC101,103,104, DNP3
- Serial to Ethernet Device Servers
- Modbus Gateways
- Serial over Fiber
- Serial Convertors and Isolators

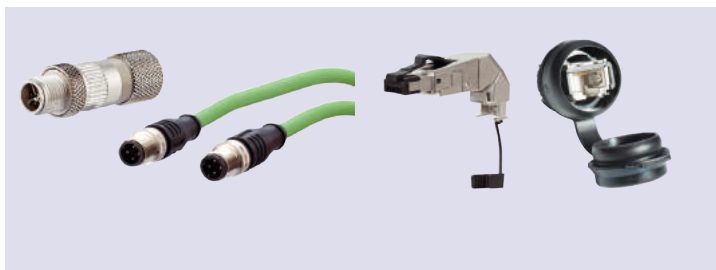

Fiber Transmission Products

- Fieldbus over Fiber - Profibus, ControlNet, DH+, Genius, RS232/RS485, Legacy Rockwell and Schneider protocols
- Analog and Digital signals over Fiber 4-20mA, 0-10V, dry contact

GPRS/3G/4G/LTE Routers

- Industrial GPRS/3G/4G/LTE Modems and Routers
- M2M Cloud Services
- 3G/4G Remote Machine Access Services

Ethernet Connectivity and Cabling

- Industrial RJ45 and M12 Ethernet Connectivity
- Cat5e/6/7 Industrial cabling and connector systems
- 19" Rack and DIN Rail mounting copper cable patch panels

UK Distributor
for RuggedCom
Industrial
Networking
Products

UK Distributor for
Siemens Scalance
Industrial
Networking and
SITOP Power
Supply Products

Industrial Telecommunications

- Weatherproof and ATEX Industrial Telephones (VOIP or Analogue)
- SOS Emergency Call Points for Road, Metro and Rail
- ASTRO VOIP System Management Platform

Radio - Narrowband UHF/VHF Products

- Industrial Radio Modems, Narrow Band UHF, VHF, 868MHz for Serial and Ethernet

Antennas

- WLAN 2.4GHz and 5GHz
- VHF, UHF narrowband and 868 MHz
- GSM/GPRS/3G/4G/LTE
- Leaky feeder for Tunnel and Onboard vehicle applications

PTP Grandmaster Clocks, IRIG-B Time Convertors

- IEEE1588 PTP Grandmaster Clocks,
- NTP Servers and Time Convertors for IRIG-B,PPS,PPX

Fiber and Fiber Accessories

- Industrial Fiber-optic connectors
- Fiber-CST SWA
- 19" Rack and DIN Rail mounting fiber termination boxes, patch-leads

Power Supplies and UPS Systems

- DIN Rail power supplies
- DC-UPS
- DC-DC Converters

Test Equipment

- BODE100 Power Vector Network Analyser
- TH-LINK Network Diagnostic Monitors for Profibus and Industrial Ethernet Protocols
- Ethernet Network Testers and Analysers

Our Services

Network Services

- Ethernet Training Courses
- Network Design Consultancy
- Network audits
- Network Diagnostics & Fault finding
- Profibus and Profinet accredited

Wireless (WLAN +3G/4G) Services

- Wireless Surveys
- Wireless Installations
- Wireless Diagnostics & Fault Finding
- Wireless 3G/4G Remote Access Services

We supply products from these leading partner brands
