Technical Description

Built to BS 2037 Class 1 for heavy-duty applications in the most demanding environments including construction, manufacturing etc. The high strength, twist proof rungs provide a comfortable horizontal surface for intensive use.

- » Large box section side stiles for extra strength
- » Large high traction 35mm 'D' shaped twist proof rungs
- » Rung locks fitted to ensure double sections do not separate
- » High grip feet fitted both ends

Standards & Classification

- » BS2037 Class 1
- » Max Load 175kg

Warranty

- » 5 Years

Commodity Code

- » 76169990
