

Mitre Top Bollard 1000mm Above Ground 60mm - 114mm Diameter Stainless Steel

This simple and elegant bollard is perfect for preventing unauthorised vehicle access or parking in communal areas. Sleek, yet striking, this bollard is the preferred choice for prestigious sites.

Available in grade 304 stainless steel as standard, this bollard is designed to remain aesthetically pleasing with minimal upkeep.

Supplied ragged as standard; flanged and removable versions are also available. Flanged and removable bollards exclude fixing bolts and padlock required to secure.
