Mike's Motors Lea Gate, Preston - 01772 123600

Number Plate Stickers

Printed specifically for the Motor Trade. These are adhesive backed stickers supplied in pairs of white and yellow.

Window Stickers

Window Stickers are produced with either clear self cling vinyl or clear self adhesive vinyl. Background colours are therefore printed and costed as an extra colour.

Self cling vinyl is only suitable for clean and dry glass surfaces. For adhesive Window Stickers we use permanent adhesive as standard. Other grades of adhesive such as removable adhesive are available on request.

Double Sided / Service Due Stickers

Double Sided Stickers are printed on both sides. A central block print is used to prevent any "show through" from one side to the other. Adhesive or self cling material can be used.
