## **Product details**

- Height 2128mm front
- Width 5525mm overall
- Length 1m, 2m, 3m, 4m, 5m and extensions

- Square flange plate 140mm x 140mm x 10mm
- · Each flange plate requires 4 bolts
- 4mm PETG clear sheet

## Installation & use

This product is guaranteed for 12 months (if installed and used correctly)

Each shelter leg requires bolting down to a suitable concrete surface, using expanding anchor bolts

The area surrounding the installation must be flat and level with no nearby surface irregularities or gradient changes

On-site assembly requires construction skill
