

SWAGELOK[®] ASSEMBLY SERVICES

PROVIDED BY SWAGELOK SCOTLAND, TEESSIDE & IRELAND

Swagelok

ENHANCE CAPABILITIES. MULTIPLY RESOURCES. EXTEND WORKING CAPITAL.

Design

UNIQUE CHALLENGES REQUIRE THE RIGHT SOLUTIONS. You need a solution uniquely tailored to your needs, and you need it now. You could spend your resources on designing, sourcing, building, and testing a solution, or you could take advantage of Swagelok's expertise as an integrated supplier of more than just products. We provide local support, backed by a global presence, from initial concept to assembly. When resources are limited, take advantage of Swagelok's capabilities for a complete turnkey solution.

DESIGN

Whether your idea is just that—an idea, or a sketch on a napkin, or even the result of a conversation—we can enhance it with 3D drawings compatible with your engineering drawing system, including:

- Analytical and process instrumentation systems
- Medium- and high-pressure applications

ASSEMBLY

You know what you want to do—now you need to know how to do it quickly. Let Swagelok provide and assemble components to meet your exacting requirements.

- Sample Cylinder Assemblies
- Fluid Distribution Headers
- Automated Valves
- Tube Bending & Preswaged Fittings

INTEGRATED SOLUTIONS

Start with some of our most widely known products: valves, regulators and manifolds. Add the expertise required to put together the componentry into a solution you can use. The results? Custom component, assembly and enclosure fabrication, including:

- Regulator Panels
- Grab Sample Modules
- Rotating Equipment Assemblies
- Gas Distribution Panels
- MP/HP Assemblies
- Test Panels

Assembly

Integrated Solutions

IMPROVE RESPONSE TIMES AND SAFETY.

What else can we do to help you when you're up against a deadline, and you want to be sure your solution meets and exceeds safety standards?

SWAGELOK CAPABILITIES

From vacuum to 20,000psi, Swagelok has the capability to assemble components to meet your requirements utilising Swagelok Tube Fittings, Swagelok FK Tube Fittings, Swagelok VCR Fittings and Cone and Thread products.

QUALITY-CERTIFIED PRODUCTS

For starters, we can assure the parts you receive from us are of the finest quality. Upon request, we can provide the following certification information:

- Typical mechanical and chemical properties Certificates of Compliance
- Nuclear Certificates of Compliance (fitting only)
- Traceable Certified Material Test Reports (CMTR)
- NACE Certification
- Certificates of Origin

CLEANING AND PACKAGING

Swagelok's cleaning and packaging requirements ensure our products meet or exceed cleanliness standards appropriate to your industry.

SWAGELOK-CERTIFIED INSTALLERS

The assemblies our personnel provide are backed by Swagelok-administered and certified training to ensure the highest quality is maintained.

LIMITED LIFETIME WARRANTY

Like everything else we provide, our Assembly Services are backed by our Limited Lifetime Warranty. See www.swagelok.com for further information.

Quality-Certified Products

Cleaning and Packaging

Swagelok-Certified Installers
