

Swagelok Small Bore Tubing Assembly Tool Kits

Your ultimate set of tools

Finding the right tool for the job is simple when you have the Swagelok Tool Kits at your site.

This set of hand tools is designed for use with the three most common tube sizes 1/4", 3/8" and 1/2" OD (outside diameter).

All of the tools are securely contained in a lockable, waterproof, Peli case with wheels for easy transport.
