### Stretch Pants

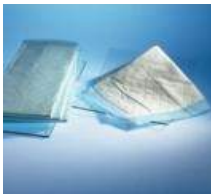

Lille Healthcare Support Pants form a two-piece pad and pant system. Used to hold the pad in place, they are used with the plus range of Supreme rectangular and Supreme Shaped Pads.

### Rectangular Pads

Lille Rectangular Pads offer a cost effective solution to manage light to moderate incontinence and can be used with your own underwear or as a booster pad in conjunction with all-in-ones or shaped pads.

Includes super absorbent polymer Odour Control.

### Bed Pads

Lille Bed Pads are designed to provide a high level of protection and softness. Made from fluff, a polythene back sheet and a soft non-woven sheet. The diamond structured distribution of pulp maximises the diffusion of liquid.

### Pull Ups

Lille Pull-ups offer an ideal solution for managing moderate to heavy urinary incontinence. Easy to use, they can be worn and removed like regular underwear and provide comfort and discretion due to the textile like back sheet that allows the skin to breathe.

**For a full size and absorbency guide, see page 43**

### Shaped Pads

Suprem Form Shaped Pads are manufactured to the highest possible standard and lead the market in both quality and performance. Specially designed for moderate to severe incontinence, all products combine high levels of absorbency and protection.

**Discretion** - Durable non-rustle backing limits awkward noise helping to preserve the users dignity.

**Absorbency** - A special double-pad acquisition layer maximises absorbency where it is most needed.

**Leakage** - Hydrophobic leg barriers and leg elastics ensure complete protection against leakage.

**Wetness Indicator** - The wetness indicator turns blue when in contact with urine.

**Odour Neutralisation** - Super-absorbent powder maximises absorbency and neutralises odours.

**Breathable Backing** - The waterproof back sheet enables the air to flow to maximise skin integrity.

**Hypoallergenic** - Dermatologically tested

### All In Ones

Lille Fit Supreme All-In-One briefs provide a highly effective solution to manage moderate to severe incontinence for people with limited mobility or confined to bed. Due to its high level of absorbency the Lille Fit Classic All-In-One guarantees anti-leakage, security and optimal comfort.

**Discretion** - The re-sealable tape facilitates repositioning for an ideal fit while the durable non-rustle backing limits awkward noise to preserve the users dignity.

**Wetness Indicator** - The wetness indicator turns blue when in contact with urine.

**Absorbency** - A special double-pad acquisition layer maximises absorbency where it is most needed.

**Odour Neutralisation** - Super-absorbent powder maximises absorbency and neutralises odours.

The Harvest Modular Community Mattress is a modular version of the standard community mattress to accommodate fully profiling beds.

2000 x 900 x 127mm

Code	Description	Qty	Price
CAMHFM096	Harvest Modular Community Mattress	1	POR

The Harvest Foam Overlay is an inexpensive one-piece mattress. The modular design ensures comfort, support and pressure reduction for patients at low risk of developing pressure ulcers.

The mattress is supplied with a fully fitted two-way stretch vapour permeable waterproof cover.

1880 x 865 x 95mm

Code	Description	Qty	Price
CAMHF0122	Harvest Foam Overlay One-Piece Mattress	1	POR

The Harvest Modular Replacement Foam Mattress is suitable for all types of beds. The modular design allows the mattress to profile to any base thus reducing effects of shear and friction for patients at medium risk. Turning cycle should be followed in order to prevent "bottoming out" over extended periods.

2000 x 900 x 160mm

Code	Description	Qty	Price
CAMHFR120	Harvest Modular Foam Mattress	1	POR

The Harvest Kineris Mattress Overlay is a support for prevention and aid in treatment of constituted pressure sores. Recommended for bed bound patients at High risk. A simple hand inflator and pressure release valve adjust pressure to suit.

Code	Description	Qty	Price
CAMHGC206	Kineris Mattress Overlay	1	POR

Harvest Visco Mattresses provide enhanced comfort and are less expensive than full memory standard foam mattresses. The top and bottom layers are each 30mm thick visco foam and bonded to a foam core. The mattress is supplied with a fully fitted two-way stretch vapour permeable waterproof cover.

2000 x 900 x 160mm

Code	Description	Qty	Price
CAMHFM109	Harvest Visco Single Mattress	1	POR

The Harvest Reflect Mattress is fully profiled on both faces to suit all types of beds and has a deep layer of visco foam to an overall depth of 170mm (6.5") The mattress is supplied with a fully fitted two-way stretch vapour permeable waterproof cover. By supporting the pressure points it reduces vertical interface pressure and horizontal shear forces. The profiled surfaces increase under body ventilation and enhance the air flow around the mattress.

2000 x 900 x 170mm

Code	Description	Qty	Price
CAMHFR127	Harvest Reflect Mattress	1	POR

The Harvest Prime Comfort Replacement Mattress is suitable for any bed type and consists of a two piece construction - upper layer modular foam and a high density foam base. The cover is a two way stretch PD which has high frequency welded seams. Suitable for patients at high risk of developing pressure ulcers.

Code	Description	Qty	Price
CAMHFR288	Harvest Prime Comfort Mattress	1	POR

The Harvest Alova is a multi softness monoblock viscoelastic zonal mattress with coloured heal support. Alova is a visco elastic material that after being compressed slowly regains its original shape. It adapts to every contour of the body and evenly distributes weight and pressure over a wide area decreasing the risk of decubitus ulcers. Intended for High Risk patients with a 30st weight limit and up to grade 2.
