AT A GLANCE

i Wall Project Value: £37,000

Contractor: Laser Essex

Architect: Tetris

Client: Exor

Project Duration: 4 weeks

Size: 300m²

Situation

This project involved updating and refreshing their UK head office by using transom glazing to create modern meeting rooms within their open plan space.

 “This bold minimalist space has been effective in encouraging collaborative working. Everyone is pleased with the stylish yet simple look.”

We made it happen...

Solution

i Wall installed their i Wall 60 single transom glazed partition with single aluminium framed glass doors. They also installed their very stylish single glazed aluminium framed sliding doors.

Benefits

The exposed clean space that was created reflected Exors requisites for a sharp, contemporary and minimalist look enabling a collaborative working environment.
