

## Environmental & Sustainability Policy Statement.

Anglo Stainless Ltd recognizes its environmental impacts, both positive and negative and is committed to the continual performance and to the prevention of pollution associated with its operations.

In recognition of this commitment and the principles of sustainable development, Anglo Stainless Ltd has set the following objectives:

- To comply with all relevant environmental legislation and with any other legislative requirements to which the company or our clients subscribe.
- To promote environmental awareness across all its employees, including contractors.
- To put systems in place to monitor and control the use of raw materials in order to optimize consumption.
- To maintain all vehicles and plant to reduce fuel consumption and emissions.
- To reduce, re-use and recycle as far as reasonably practicable.
- To maintain effective systems to control waste and endeavor to minimize their environmental impact.
- To co-operate with interested parties concerning the environmental issues arising from Anglo Stainless Ltd operations.
- To require all employees and contractors to comply with this policy whilst working for Anglo Stainless Ltd.

Anglo Stainless Ltd will carry out periodic reviews of this policy and make necessary improvements to the company's policies and procedures following these reviews.

Signed : 

Steve Brooke.  
Director (Anglo Stainless Ltd).
