

CPD SEMINAR

We are delighted to be supporting Architects, Specifiers, developers, contractors and homeowners in tackling 'Designing for Flood Resilience'. Offering delegates with a deeper understanding of the concepts of flood resistance, resilience and recoverability.

- How do we define a flood?
- What is a flood?
- What is a flood risk?
- Facts about flood risk
- Assessment of flood water into buildings
BS85500:2015
- What is Flood Resilience Solutions?
- Resistance, Resilience & Recoverability
- Resistance and Recoverability
- Design Principles

**Our Flood Resilience CPD
will be going live on:**

**Thursday 14 May 2020
at 2 pm**

**Tuesday 19 May 2020
at 11 am**

Joining our face to face virtual
CPD seminar is easy
