

ACP31 Column Protector

48mm Diameter

Galvanised or Galvanised & Colour

Functional and robust in design, AUTOPA's range of column protectors are designed to protect corners, columns, and other vulnerable pillars from vehicle damage in a busy industrial environment. Our Column Protectors are manufactured from mild steel and galvanised to ensure their longevity. Suitable for both internal and external use.

Column Protectors are available in galvanised and galvanised & coated (RAL/BS numbers must be specified at time of order). Optional reflective tape can be added to maximise visibility.

Also available in tube diameters of 60mm (60mm square), 76mm (80mm square) and 90mm (90mm square).
