About Us

Mudfords was founded in 1832 by John Mudford. The firm continued to thrive under the successive members of the family's management. Today – 180+ years and seven generations later, Mudfords manufactures and merchants a large range of industrial textile products. Our range includes; tarpaulins, lifting slings, ropes, hessian, frost protection, ratchet straps and bespoke made covers for the haulage and construction industries. In 2018 Mudfords became part of the Stuart Canvas Group which allows the company to supply new ranges of product to its valued clients.

At Mudfords we aim to supply a straight-forward, no-nonsense service together with a wide range of modern quality products at competitive prices.

Retractable Tunnels

Our retractable tunnels offer great protection from the elements when unloading goods. They can serve as an extra storage facility, whilst offering an economic weatherproof shelter which is easy to operate and manoeuvre if required.

Tunnels can be branded to promote companies or goods and the main PVC body comes in a variety of colours to suit. Items are ideal to maximise storage space and can be produced on wheels (fixed or swivel) or in a fixed / lift proof tracking if required.

Whether large or small, fixed or retractable, we can offer a solution to your storage needs and advise on how to create the best additional work space both internally or externally. Our Tunnels can be produced as a mobile or static workshop and can be designed to be easily dismantled and assembled should they need to be relocated in the future.

Bespoke Covers

At Mudfords we can produce a range of bespoke covers to suit your requirements, including: Trailer Covers, Machine Covers, Plant Covers, Custom Tarpaulins, Pallet & Stillage Covers, Rail Covers, Haulage Covers and Boat Covers.

Company branding and logos can also be applied to our bespoke covers. Stencils, logos or coding can be used which can certainly help promote brand awareness or for visual identification e.g. country of origin, date of manufacture, part numbers and cost centre codes, as our printing is done in-house.
