

flowstar

Industrial Valve Stockist

Flowstar is one of the world's largest stockists of Safety Valves, Relief Valves and Reducing Valves and we also regularly supply other valve types including Ball, Gate, Globe and Check valves. Flowstar has been trading for over 30 years and is a solid, reliable and stable company making it an ideal business partner. This brochure is an overview of the most common products we sell. For more detailed information please visit our website at www.flowstar.co.uk. To get in touch please use the online chat via our website, call on 01482 601030 or email sales@flowstar.co.uk

NIEZGODKA

German manufacturer. Est 1967. Safety Valves, Relief Valves, Reducing Valves, Sustaining Valves. 1/4" to 4", 0.05 to 1100 Barg, Brass, Carbon Steel, Stainless Steel. Screwed, Flanged, Tri-clamp and other connections. Tank-blanketing solutions. Special finishes for the food and pharmacy industries.

NABIC

UK manufacturer. Est 1864. Safety Valves, Relief Valves and other plant room valves. 3/8" to 3", 0.28 to 12.5 Barg, Gunmetal, Screwed & Flanged. Commonly used on commercial heating systems.

BAILEY

UK manufacturer. Safety Valves, 1/2" x 3/4" to 2 x 3", 0.35 to 32 Barg, Bronze body, Screwed. Reducing Valves 1/2" to 4", Bronze, Stainless Steel, Cast Iron, Carbon Steel, Inlet up to 42 Barg, Outlet 0.7 to 21 Barg.

VALVES FOR ALL INDUSTRIES

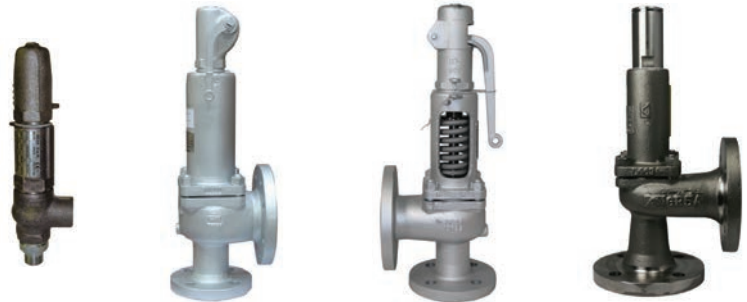

BROADY

UK manufacturer. Trading over 100 years. Safety Valves & Relief Valves 1/2" to 8", 0.34 to 425 Barg, Gunmetal, Carbon Steel, Stainless Steel, Aluminium Bronze, Duplex. ASME Section VIII, Division 1: "UV" stamp. Designed, manufactured and tested to API 520, 526 and 527. Reducing Valves 1/4" to 6", Screwed and Flanged. Gunmetal, Stainless Steel, Aluminium Bronze.

BESA

Italian manufacturer. Est 1946. Safety Valves. 1/2" to 10"x16", 0.2 to 500 Barg, Cast Iron, Carbon Steel and Stainless Steel. They offer ANSI and DIN flanges with the same centres as many popular ARI, Leser and Spirax Sarco Valves.

COITECH

Italian manufacturer. Trading over 40 years. Fully European Safety Valves. 1/4" to 2", 0.5 to 650 Barg. Can manufacture in 316L, Carbon Steel, Brass, Aluminium Bronze, Monel, Duplex, Super Duplex, Inconel, Hastelloy, Titanium, PVC, PTFE, PP, PCTFE PVDF.

BERLUTO

German manufacturer. Trading over 80 years. Reducing Valves, 1/4" to 6", Screwed and Flanged, Gunmetal and Stainless Steel. Special Seawater versions available. Up to 60 Barg Inlet pressures, 0.2 to 40 Barg Outlet pressures.

VALFONTA

Spanish manufacturer. Trading over 40 years. Reducing Valves, Sustaining Valves, Injectors and Ejectors, Control Valves. 1/2" to 6". Nodular Iron, Carbon Steel, Stainless Steel, Bronze. Inlet: 40 Barg Max, Outlet: 0.02 to 16 Barg.

SAMEDAY DESPATCH ON STOCK PRODUCTS ORDERED BY 5PM

MEDENUS

German manufacturer. 100% German made. Gas Regulators, Gas Shut-off Valves, Gas Filters, Gas Ball Valves, Gas Flowmeters. Regulators 1" to 8", Screwed & Flanged, Inlet: 16 Barg Max, Outlet: 3 Barg Max. Filters 1" to 8", Flanged, 16 Barg Max.

TLV

Japanese manufacturer. Est 1950. Steam Reducing Valves & Globe Valves. Mechanical, Thermodynamic and Thermostatic Steam Traps. COSR Reducing Valve, DR20 Reducing Valve.

HONEYWELL

German manufacturer. We keep a wide range of Honeywell products including safety valves, reducing valves, backflow prevention valves and testing kits.

RHODES

UK manufacturer. Est 1951. Rhodes Sight Glasses are UK manufactured with UK sourced components. 1/4" to 8", Screwed & Flanged, Cast Iron, Gunmetal, Carbon Steel, Stainless Steel. Styles include Spinner, Ball, Spout, Flap and Scale Plate, Flow Fingers & Switch.

BUDENBERG

UK manufacturer. Est 1854. 100% British made. 1.1/2" to 10", -1 to 4000 Barg, Analogue Gauge Accuracy: 1%, 0.5%, 0.25%, 0.2% & 0.15%. Various connections and mounting options. Many patented special designs.

VALVES FOR ALL INDUSTRIES

TANK BREATHER

We are agents for a leading uk manufacturer of Storage Tank Low Pressure and Vacuum Relief Valves, Breather Valves, Gauge Hatches, Emergency Vents, Manways, Gas Blanketing Valves and Flame Arresters. Valves up to 12", Manways up to 36". Aluminium, Carbon Steel, Stainless Steel.

FLOW METER

We are agents for a UK manufacturer of turbine flow meters. These reliable meters offer a pulse output that is linear to the flow rate and can be connected to various pieces of equipment.

REFRIGERATION

We are agents for a German manufacturer of industrial refrigeration valves and components.

TRICLAMP ADAPTERS & COMPONENTS

We are agents for a UK manufacturer of triclamp adapters, gaskets and clamps.

REPAIRS & RECERTIFICATION

We provide a comprehensive Calibration and Certification Service for Safety and Relief Valves. We can also carry out Overhaul and Repair work. Our service is professional, fast and efficient and is carried out by competent manufacturer trained staff.

OVER 30 YEARS OF SERVICE TO INDUSTRY
