## 2.4 x 2.4m Fabric Curved Display £510 +VAT & Delivery

Fabric Displays are made up of two main components - a strong, lightweight, tubular aluminium frame and a printed fabric cover.

The 260gsm 'stretch' fabric cover is printed on both sides as standard. Designed to fit snugly over the frame, it is secured at one edge with a zip fastening. The fabric cover is changeable, and all covers can be ordered separately.

These 'next generation' displays deliver maximum impact and completely eliminate the problem of visible join lines on the larger displays.

All fabric display frames are supplied with a carry bag for easy transportation and storage.

Majority of orders are despatched within 24-48 hours, but please allow 7 working days for fabric graphics.
