

Stockrax Shelving & Benches

Simple, Economic, Tap-together Solutions

LINK51
TRADE

SIMPLE, TAP TOGETHER, GENERAL PURPOSE STOCKRAX SHELVING.

Quickly and easily assembled, requiring only a rubber mallet, this range of products offers fast and economic solutions to everyday storage problems.

Available in a range of robust colourful finishes, or with pre-galvatite uprights and beams, these units are at home in any environment. With 18mm FSC-certified sustainable chipboard shelves as standard and a wide range of depths and widths, Stockrax offers flexible and cost effective solutions.

Supplied as ready to build units, shelving bays are available with optional extra shelf levels for adaptability or can be designed to your specific needs.

It's so Quick and Easy

- Simple tap-together construction
- No fiddly nuts and bolts
- Bays assembled within 10 minutes!

Unpack and assemble framework by simply tapping together...

...with framework complete, stockrax put the shelves into position.

Pre Galvatite components provide additional corrosion resistance and have a hard-wearing industrial finish.

For more arduous or demanding conditions, bays with pre-galvatite shelves are also available. Ask for details.

STANDARD DUTY

Simple, tap together, fully adjustable shelving for quick and economic storage solutions. Take a standard bay profile and tailor it to your needs by adding additional shelf levels. Stockrax Shelving maximises the storage of archive boxes, bankers boxes, box files, arch file, magazine holders and much more.

5 Shelf units with 18mm chipboard. Bays comprise 4 uprights, 5 shelf levels with J beams, beam ties as required, feet and assembly instructions. Bays are available with 4 upright colours as standard and will be supplied with Light Grey beams unless otherwise specified.
