Kilfrost ABC-3

Kilfrost ABC-3 is an SAE/ISO Type II de/anti-icing fluid, qualified to AMS 1428 and ISO 11078 (latest revisions).

Kilfrost Type II fluids can be used for de-icing purposes and also offer extended anti-icing holdover protection.

High Performance

Wide in-service viscosity range, excellent shear and storage stability.

Reliability

Used by global airlines, the classic type II fluid and the industry standard.

Logistics

Our global coverage means we can be where you need us when you need us, delivering on time even against the odds.

Safe to use

Good sprayability, non toxic and non flammable with a three year shelf life, low foaming and low residues.

Customer support

Kilfrost's 75 years of experience can support you with our technical expertise to offer you the right product.

Quality you can trust

Five-star products are at our heart and we are proud of our reputation for continually raising the benchmark through innovation.
