Kilfrost ABC-S Plus

Kilfrost ABC-S Plus is a Type IV de/anti-icing fluid, qualified to AMS 1428 and ISO 11078.

Kilfrost Type IV fluids offer maximum anti-icing holdover protection against freezing precipitation, especially snow, and can be used cold to prevent the build-up of frost, ice and snow.

High Performance

Maximum hold over performance especially in snow conditions, good shear storage stability, triazole free.

Reliability

Used by major airlines globally, ABC-S Plus is the preferred choice of fluid.

Logistics

Our global coverage means we can be where you need us when you need us, delivering on time even against the odds.

Environmentally friendly

Readily biodegradable, monopropylene glycol based (MPG).

Safe to use

Good sprayability, non toxic and non flammable, low foaming and low residues.

Customer support

Kilfrost's 75 years of experience can support you with our technical expertise to offer you the right product.

Quality you can trust

Five-star products are at our heart and we are proud of our reputation for continually raising the benchmark through innovation.
