#### QUALITY AT COMPETITIVE PRICES

We have made this possible by developing this new website, with super intelligent software that generates a price for your partition requirements instantly.

#### NATIONWIDE COVERAGE

We have supplied and fitted glass wall partitions for customers in every major town and city, including London, Birmingham, Nottingham, Sheffield, Manchester and more.

#### TRANSPARENCY & INTEGRITY

Every step of the way we let you know you exactly what we are going to install by listing the specification right from the word go. There are no hidden costs.

glasswalls  
and doors

The UK's leading online glass partition supplier and installer for glass walls and doors, offering a nationwide service.

**SPECIALISTS IN GLASS WALL PARTITIONING**

Glass Walls and Doors' experienced team has been designing and installing glass partitioning for many years, with literally thousands of happy clients throughout the UK.

**QUALITY GLASS AND WORKMANSHIP**

Our glass wall partitioning services are at the core of everything we do, from CAD drawings we use to realise your concept to hassle-free installation and scheduled product maintenance. Find out more about our comprehensive range of services on our website.

**SINGLE & DOUBLE GLAZED SCREENS & DOORS**

These are our most popular glass wall system for office and home, providing a high quality, low cost solution to space division.

**INDUSTRIAL STYLE**

Industrial style features a stunning black grid pattern detailing that will bring a touch of sophistication.

**FIRE RATED GLASS DOORS FEATURES**

The systems we offer start from E30 (30 minutes Integrity / 0 minutes Insulation) right up to EI120 (120 minutes Integrity / 120 minutes Insulation).

We offer the following systems, depending on your design requirements and budget: Voestalpine, Forsters and Aluprof.

If you require any fire rated glazing, Glass Walls and Doors can offer the best products and services with assurance that what is being offered is correct, safe and certified.

**FIRE RATED SCREENS & DOORS**

Achieve full compliance with the building regulations, whilst maintaining the stunning, attractive and spacious appearance of glass wall partitioning.

Every fire rated glass door is bespoke made to suit existing structural openings.
