Perfect Bound Brochures

“

I can always rely on The Print Room to supply high quality print materials on time and at a competitive price. The team are always on hand to help offering advice on the best print solution to fit within our budget.

Our latest product list was our largest one to date, The Print Room recommended a perfect bound brochure finished in an uncoated material and I was delighted with the outcome.

”

Lisa Parker - Marketing Manager at Braehead Foods.

Presentation Folders

“ Our old letting management pack consisted of a folder with insert booklet and was accompanied by rather poorly produced price summary sheet, landlord detail form and terms of business. All of these were in serious need of a refresh, The Print Room team applied all of their print experience and came up with a full landlord management marketing pack befitting of the manner we wish to present ourselves. Personal service and fantastic end result. ”

Chris Cockburn - Business Development Manager at Let It Glasgow.

“ I want to take a moment to thank all the team at The Print Room for the recent design and print work you completed for me. From the initial fact finding exercise through to delivery of my business cards and pop up banner the team were spot on. I couldn't believe the speed in turnaround once the design was complete! Far exceeded any service I have experienced from previous printers to date. I would have no hesitation in recommending The Print Room in the future! ”
