

Classical pipette with ergonomic benefits

RAININ Classic improves old-style Pipetman

RAININ Classic™ New Improved Design

- Ergonomic handle with finger-hook.**
- Lighter aspiration & dispense springs.**
- Low-drag piston seals.**
- Silicone shock absorber in tip ejector.**
- Quick-release tip ejector.**

Benefits of RAININ Classic

- Ergonomic handle with finger-hook reduces gripping force required, lessens fatigue.
- Lower spring forces and shock absorber may help reduce pain and repetitive strain injury.
- Accuracy and precision same as Pipetman.
- Solid, rugged construction.

Switch to RAININ Classic for performance you can trust, and 25% less pipetting force than Pipetman!
