from **BILCO**

A smoke vent, roof access hatch and rooflight...
THREE SOLUTIONS IN ONE

BILCO

ROOF ACCESS

See overleaf for more details >>

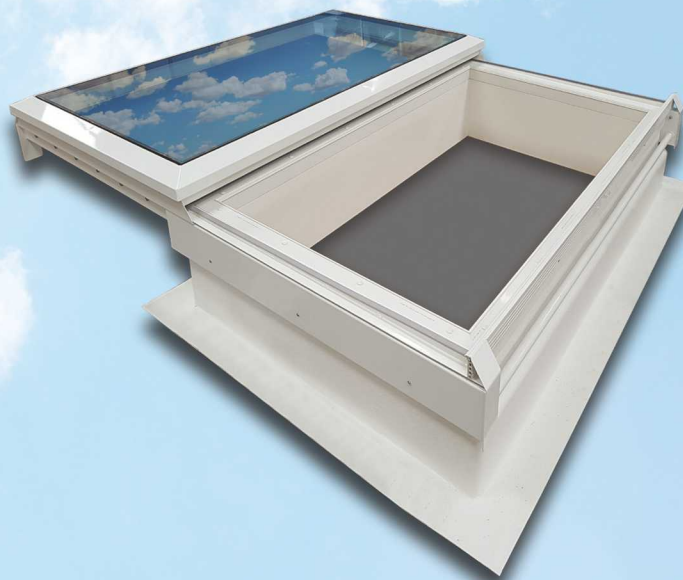

SKY Flatglass Key Features:

- » A CE-marked smoke ventilator with a flat glass top
- » Meets the requirements of building regulations document B and tested to EN12101-2
- » The sliding cover provides a stylish, functional approach to natural smoke ventilation
- » Can be used for roof access with a fixed ladder
- » Allows natural daylight into a room, stairwell or corridor
- » Ideal in exposed areas where a hinged opening is impractical
