# Be prepared for the Easter rush!!

**Take advantage of our fantastic sweatshirt offer!!**

We understand that for most businesses, Easter is one of the busiest times of year with everyone flocking to prepare for the summer. We also understand that while you'll no longer be hiding behind enough jackets and fleeces to keep Antarctica warm, it still won't be the time yet to be going around in shorts and a t-shirt. Although it's only a couple of months until summer, it's England after all. So in all honesty, we'll be lucky to get 2 hot days out of 5, and when this happens, you'll be very glad to have your smart, embroidered company sweatshirt ready to keep you at the perfect temperature.
