POST MOUNTED SIGN SYSTEMS

INTRODUCTION

FIRST IMPRESSIONS

When attracting new custom, your Company sign is often the primary thing to be noticed, so first impressions are paramount. Location, design, colour and layout will all enhance your sign and promote the best impression of your company.

We offer the most versatile combinations of aluminium signage which, combined with our extensive range of vinyl coverings, paint finishes or digital prints, will allow the flexibility you need. All delivered with a speed, quality and efficiency to ensure your satisfaction.

HOW TO CHOOSE YOUR POST MOUNTED SIGN

Use these sign ideas to help create the perfect post mounted sign for your needs. All our systems are made to order, offering you choice on every aspect. For wall mounted and other signage needs consult our alternative brochures.

ASK FOR HELP

Your Sign Advisor will be able to assist you in compiling measurements and options to suit your needs. They will be able to tailor your requirements to accommodate your budget, style and graphics.

If you haven't seen exactly what you require, we can also make a bespoke system to match your needs. Talk it through with your Sign Advisor and ask for advice.

OUR ASSURANCES

- We are experienced in creating signs for a multitude of locations, ranging from the smallest garden fence to multi-national corporate headquarters.
- We offer fitting advice and stock all fixings to suit, to ensure you have a reliable and comprehensive sign arrangement.
- We comply with road traffic regulations on wind tolerances for all our post mounted signs.
- Our 3mm aluminium is completely recyclable and the little wastage we have is all reprocessed at government approved sites.

For a professional approach to your sign needs, consult a professional team.

Use these sign ideas in conjunction with your Sign Advisor for successful results.

POST MOUNTED SIGNS MOUNTING OPTIONS

Ways to mount post mounted signs

FRONT FACING

Standard front facing signs. All of our sign systems are suitable for this.

DOUBLE SIDED

Two-sided sign options, suitable for text or graphics to be viewed on both sides.

Systems suitable for this are: Plaza, AS760, AS500, Plate & Post, Modular & Corniche.

V-MOUNTING

Signs mounted in a V formation, so text and graphics are viewable from multiple angles.

Sign systems for this are: Plaza, Plate & Post and Corniche.

INLINE MOUNTING

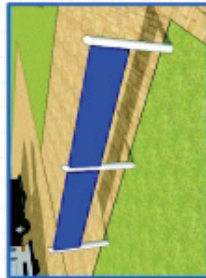

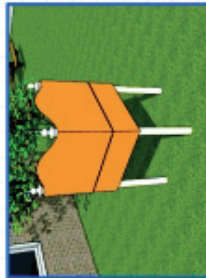

Inline mounting is where you have multiple panels, spaced by posts all inline with each other to form a long sign with multiple supports.

Our Plaza and Plate & Post systems are suitable for this.

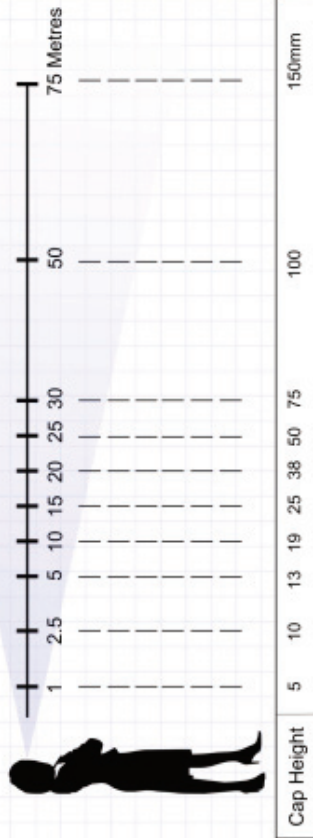

OTHER MOUNTING OPTIONS

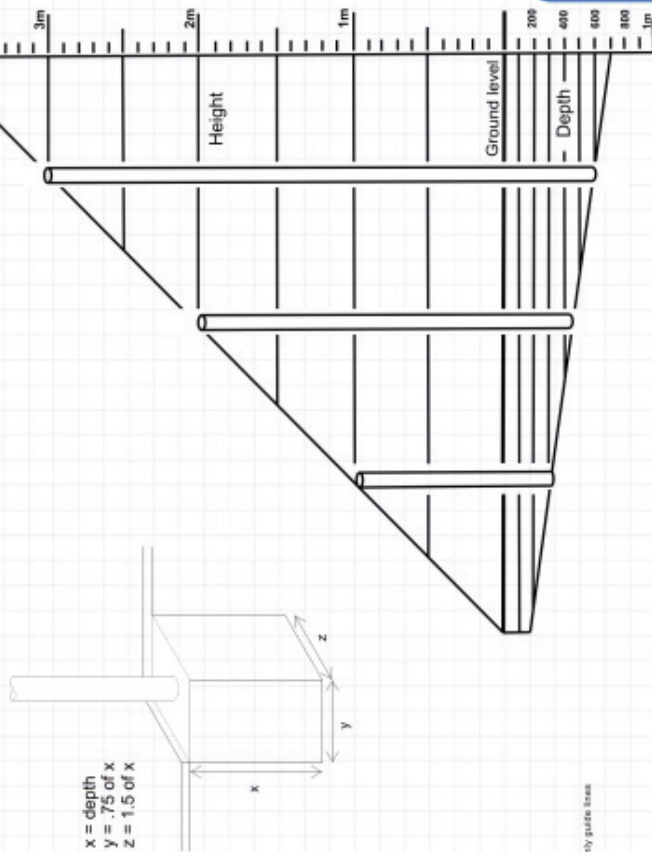

Other mounting options for plaza, Plate and Post and Corniche.
