wall or post mounted signs

Cost effective signage in traditional timber or durable plastics complete with an Aluminium frame. Ideal for shopfronts, main entrance signage, company signs etc.

Illumination can be achieved by integral lighting systems or independent light fittings such as spot or flood lights.

Specify a colour combination and style to match your design. Drawings will be submitted before manufacture.

illuminated signs

Supplied with silver Anodised Aluminium finish or colour of your choice. Translucent graphics. Fully assembled complete with all electrics and fluorescent tubes.

Single sided for fixing flat to a wall, post fixing, etc.

Double sided for projecting signs, suspended signs, post fixing etc.

how to order

Decide upon the overall size. We will fit the appropriate size lettering to your sign. Send us a sketch of the wording supplying an example of any logo required. A drawing and quote will be submitted. Upon approval, delivery will be 14 - 28 days. Easy to fix by any handyman.

All goods are sold with the understanding that the customer has independently determined the suitability prior to ordering. All goods remain the property of the manufacturer until paid for.
