

# RWM 200 Twin Chamber Baling Press

Take control and convert your dry recyclable packing waste into manageable bales. Recyclers and industrial users of a Riverside vertical baler benefit from waste volume reduction; storage, handling and transportation savings; avoidance of ever-increasing landfill charges; the satisfaction of environmental benefits and even possibly the generation of an additional revenue yield.

## RWM 200 Twin Chamber Baling Press

- ✓ 12 month warranty
- ✓ Ideal for volume reduction of cardboard and plastic
- ✓ 1100 x 800mm top loaded feed aperture for easy loading
