

# RWM 250 Baling Press

Take control and convert your dry recyclable packing waste into manageable bales. Recyclers and industrial users of a Riverside vertical baler benefit from waste volume reduction; storage, handling and transportation savings; avoidance of ever-increasing landfill charges; the satisfaction of environmental benefits and even possibly the generation of an additional revenue yield.

## RWM 250 Baling Press

- ✓ 12 month warranty
- ✓ 1200mm wide feed aperture
- ✓ Can be sited outside
- ✓ Suitable for volume reduction of cardboard and plastic
- ✓ Available in 16 amp single phase, 3 phase or 110V
