

RWM Bin Press – 240 litres

A neat machine to compact the wet and dry recyclable contents of a standard 240 litre wheelie bin. With a small footprint, simple-to-use controls and an impressive 5:1 compaction ratio, the result is a safe and simple piece of technology that saves on space, mess and waste collection/disposal costs. In fact, clients have been known to reap financial savings that mean the Bin Press has paid for itself in as little as 18 months.

A popular choice among schools, canteens, garage forecourts, small hospitality establishments, retail outlets and offices – to name just a few – the RWM Bin Press promises to strengthen the user's environmental agenda, and their bottom line!

Key Features:

- ✓ Suitable for wet and dry kitchen waste and other recyclables
- ✓ Perfect for a standard 240l wheelie bin
- ✓ Bin fully enclosed for safe compaction
- ✓ Compaction ratio of 5:1
- ✓ Simple operator controls meaning minimal training required
- ✓ Virtually 'plug and play' technology
- ✓ Used by garage forecourts, retail outlets, offices, small hospitality establishments and more
- ✓ 12 months parts and labour warranty supplied
- ✓ CE certified

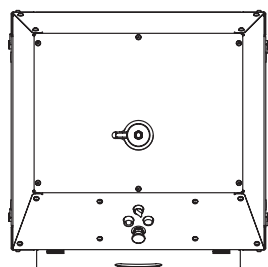

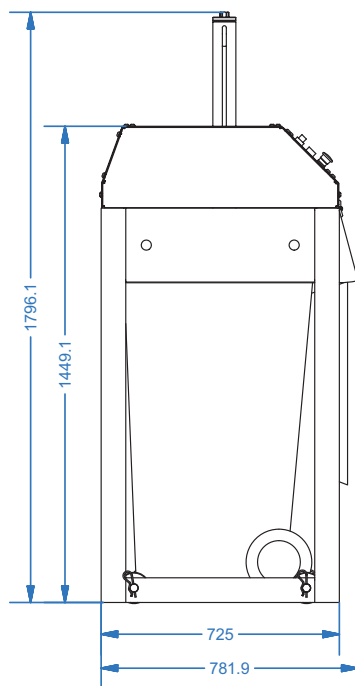

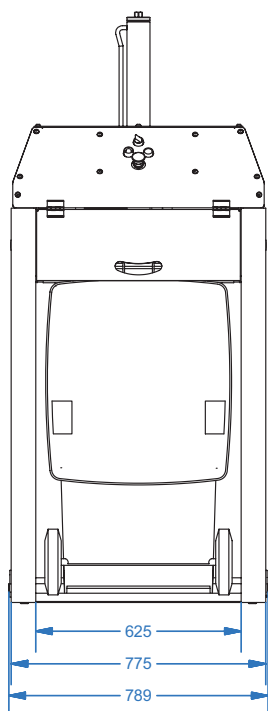

Optional extras:

Galvanised finish, bag press compaction insert and automated compaction cycles available upon request.
