### 8. Eco Finger Grip Sports Bottle 500ml

Introducing the Eco 500ml Finger Grip Bottle – The environmentally friendly Eco bottle is made from 100% reclaimed food grade material that has been saved from landfill by collection of milk bottles from council recyclers. The colour is dependent on how many labels or caps get through the remanufacturing process, hence why they are off white in colour. Patented flip clip, valve and push pull caps available.

Socks made from 72% recycled cotton, 22% recycled Nylon and 6% recycled Elastane. One size fits all (41-46).

Sustainable and environmentally friendly. This pair of Ocean Socks prevented 30 plastic bottles entering the ocean. With the purchase of this product you support Plastic Bank® - an international organisation with two main goals that concern us all: reducing poverty and reducing the plastic soup in the oceans that is an environmental catastrophe. Plastic Bank® pays people in developing countries to collect the plastic from the 5 most polluting rivers in the world. From this plastic waste, which therefore no longer ends up in the oceans, the so-called rPET material is made, which may bear the Social Plastic® label.

rHIPS.b

Biodegradable Polymers  
for a new generation

## INTRODUCING

# RHIPS.b Colourways collection

Made exclusively for the promotional  
merchandise industry with the planet in mind.

- **Made from waste product** from factory + 100% recycled HIPS polymer sourced from the UK.
- **No virgin material is used.** No deforestation needed to grow 'eco' materials.
- **Naturally Biodegrades** - Marine, landfill and home compost.
- **Biodegradation occurs by friendly microbes** fully digesting the polymer.
- **Made using recycled materials from the UK** in our UK based factory. And distributed from the UK to wherever it needs to go. Meaning less air miles and more smiles.
