decaBDE UE DIRECTIVE

Confirmation on decaBDE directive:

GREMCO can confirm that the GREMCO products all comply with the

EU Directive 2002/95/EC restriction of the use of hazardous substances in electrical and electronic equipment ("RoHS directive")

On 1st July 2008 the European Court of Justice withdrew the concession ruling within the RoHS directive #9.a "Deca-BDE in polymers". Since that date the use of Deca-BDE is no longer allowed.

EU Directive 2002/96/EC waste electrical and electronic equipment ("WEEE directive")

EU Directive 2003/11/EC restrictions on marketing and use of certain dangerous substances.

In accordance with the EU directives GREMCO does not use any of the banned critical substances mentioned in these directives.
