## MODERN SLAVERY AND HUMAN TRAFFICKING POLICY

Cambridge Circuit Company Limited is committed to driving out acts of modern day slavery and human trafficking within its business and that from within its supply chains, including sub-contractors, and partners.

Cambridge Circuit Company acknowledges the Modern Slavery Act 2015 (and relevant regulations, although not covered by them).

As part of our due diligence the supplier approval process will incorporate a review of the controls undertaken by our suppliers into the issue of slavery and human trafficking.

Imported goods from sources outside the UK and EU are potentially more at risk for slavery and/or human trafficking issues. The level of management control required for these sources will be continually monitored.

The company will not support or deal with any business knowingly involved in slavery or human trafficking.

The company Directors and senior management shall take responsibility for implementing this policy statement and its objectives and shall provide adequate resources (training, etc) and investment to ensure that slavery and human trafficking is not taking place within the organisation and within its supply chains.

This policy statement will be reviewed annually and will be included into our Integrated Management System,
