

 **BAYARD PACKAGING**

*Manufacturers of flexible packaging solutions*

Bayard Packaging has been an UK manufacturer of high quality flexible packaging since 1983, with its production factory situated in Croydon, South London.

At Bayard, we incorporate a professional approach to each enquiry and order received, which has enabled us over the years to build a reputation for providing products of the highest quality. As a result of this we have many loyal customers who know the high standard of our products, and our attention to detail.

Our product range covers a broad spectrum, including...

- Transparent and opaque polythene envelopes.
- Plain/unprinted or printed with a write on panel.
- Coloured mail-order dispatch bags and sacks.
- Courier and transit bags.
- Confidential packaging.
- Tamper evident security bags and envelopes.
- Promotional packaging.
- Recycling envelopes for consumables.
- Padded envelopes.

If you require any further information, samples or a price indication for a specific project, please don't hesitate to contact our friendly sales team on 020 8688 7778.

Alternatively you can order our stock products direct from our website at [www.polythene-envelopes.com](http://www.polythene-envelopes.com)

# CUSTOM POLYTHENE PRODUCTS

## Custom Polythene Envelopes and Mailing Bags

First impressions are always essential when conducting a direct mail campaign. By incorporating a custom printed polythene envelope into any campaign, the polythene envelopes can facilitate the sales message being conveyed whilst underlining your corporate identity.

We can offer a comprehensive range of custom mailing products to suit all your mailing requirements, they can be manufactured from a variety of materials, including coloured co-extruded PE films, and can be printed up to 8 colours, including process work, and can be produced to virtually any size or thickness. Polythene mailing products provide an ideal mailing solution by delivering your product in good condition and reducing your postal costs.
