

GFC7000 (Manchester) 1000mm Galvanised or Galvanised & Colour

The GFC7000 Ornamental Mild Steel Bollard from AUTOPA is suitable for a wide range of locations and purposes. Constructed using mild steel, then galvanised to ensure its longevity. Cap and ring are welded onto the steel tube to complete the design.

Supplied concrete in as standard, bolt down and removable versions are also available.

The bollards are available in a galvanised and galvanised and coated finish (RAL numbers must be specified at time of order).

Eyelets, hooks and chains can be added to these bollards to complete the decorative effect.
